

She take you down easy  
Going down to her knees  
Going down to the devil  
Down, down to ninety degrees  
Ah, she blowing me crazy  
Til my ammunition is dry

Ah, she's using her head again  
She's using her head  
Ah, she's using her head again

I'm just a-givin' the dog a bone (givin' the dog a bone)  
Yeah, I'm givin' the dog a bone (givin' the dog a bone)  
I'm just a-givin' the dog a bone (givin' the dog a bone)  
I'm just a-givin' the dog a bone (givin' the dog a bone)

Oh, she's no Mona Lisa  
No, she's no Playboy star  
But she'd send you to Heaven  
Then explode you to Mars

Oh, she's using her head again (using her head again)  
She's using her head (using her head again)  
Ah, she's using her head again (using her head)

I'm just a-givin' the dog a bone (givin' the dog a bone)  
Givin' the dog a bone (givin' the dog a bone)  
I'm just a-givin' the dog a bone (givin' the dog a bone)  
I'm jus' givin' the dog a bone (givin' the dog a bone)

[Guitar Solo]

She got the power of union  
Yeah, she only licks when it's hot  
And if she likes what you're doing  
Yeah, she'll give you the lot  
Give it everything, I'm just

Givin' the dog a bone (givin' the dog a bone)  
Givin' the dog a bone (givin' the dog a bone)  
Givin' the dog a bone (givin' the dog a bone)  
I'm just a-givin' the dog a bone (givin' the dog a bone)

Givin' the dog a bone (givin' the dog a bone)  
Givin' the dog a bone (givin' the dog a bone)  
Givin' the dog a bone (givin' the dog a bone)  
I'm just a-givin' the dog a bone (givin' the dog a bone)

I'm just a-givin' the dog ... giv'n' a dog... giv'n' a dog...  
Ohhhh, I'm jus' givin' a dog a bone... ow! yow!
