

Well I've been up to my neck in trouble
Up to my neck in strife
Up to my neck in misery
For most of my life, I've been a fool
And you know what a fool can do
I'm telling you

You come along when I needed you, now I'm up
I'm up to my neck in you

And I've been up to my neck in pleasure
Up to my neck in pain
I've been up to my neck on the railroad track
Waitin' for the train
To cruise on through
Baby my time was due
Oh it's way overdue!

You came along and pulled me through, now I'm up
Up to my neck in you
Don't it feel good?

[Solo]

I've been up to my neck in whiskey
I've been up to my neck in wine
I've been up to my neck in wishin'
That this neck wasn't mine
I'm a loser, who ain't lost it
Baby you were too good, too good to be true

What you done no one else could do, now I'm up
I'm up to my neck in you

Oh, and it feels good

Yeah, you come along when I needed you, oh!
Oh! I'm up to my neck in you
