

She was a fast machine, she kept her motor clean
She was the best damn woman that I ever seen
She had the sightless eyes, telling me no lies
Knockin' me out with those American thighs
Taking more than her share, had me fighting for air
She told me to come, but I was already there
'cause the walls start shaking, earth was quaking
My mind was aching, & we were making it

And you... shook me all night long
Yeah, you... shook me all night long

Working double time on the seduction line
She's one of a kind, she's just mine, all mine
Wanted no applause, it's just another course
Made a meal outta me and come back for more
Had to cool me down to take another round
Now I'm back in the ring to take another swing
The walls start shaking, earth was quaking
My mind was aching, & we were making it

And you... shook me all night long
Yeah, you... shook me all night long
Knock me out, I said you... shook me all night long
Hell was shakin' and you... Shook me all night long
Yeah you shook me, then you took me

[Solo]

You really took me and you... shook me all night long
Oh, you... shook me all night long
Yeah, yeah you... shook me all night long
You really took me and you... shook me all night long
Yeah, you shook me!
Yeah, you shook me!
All night long!
