

[Intro]

Sweet emotion
Sweet emotion

You talk about things that nobody cares
Wearing other things that nobody wears
You're callin' my name but I gotta make clear
I can't say baby where I'll be in a year

[Break, 8 bars]

Some sweat hog mama with a face like a gent
Said my get up and go musta got up and went
Well I got good news, she's a real good liar
Cause the backstage boogie'll set your pants on fire

[Break, 16 bars]

Sweet emotion
Sweet emotion

I pulled into town in a police car
Your daddy said I took you just a little too far
You're telling me things but your girlfriend lied
You can't catch me 'cause the rabbit done died
Yes it did

[Break, 8 bars]

You stand in the front just a shakin' your ass
I'll take you backstage, you can drink from my glass
I'll talk about something you can sure understand
'Cause a month on the road and I'll be eating from your hand

[Break, 16 bars]

[Outro]
