

Yeah-yeah... it goes away
All of this and more of nothing in my life
No... color clay
In-di-viduality not safe

(As of now I bet you got me wrong)
(So unsure you run from something strong)

I... can't let go
Threadbare tapestry unwinding slow
Feel... a tortured brain
Show your belly like you want me to

(As of now I bet you got me wrong)
(So unsure we reach for something strong)
I haven't felt like this in so long
(Wrong) In a sense too far gone from love
That don't last (forever)
Something's gotta turn out right

You... sugar taste
Sweetness doesn't often touch my face
Stay... if you please
You may not be here when I leave

(As of now I bet you got me wrong)
(So unsure we reach for something strong)
I haven't felt like this in so long
(Wrong) In a sense too far gone from love
(Strong) I haven't felt like this in so long
(Wrong) In a sense too far gone from love
(That don't last forever)
Something's gotta turn out right
