

Yeah, hey, I want to travel south this year
I won't, won't prevent safe passage here

Why you act crazy?
Not an act maybe
So close a lady
Shifty eyes, shady

Yeah, hey Yeah, tears that soak a callous heart

Why you act frightened?
I am enlightened
Your weakness builds me, so someday you'll see

I stay away

Why you act crazy?
Not an act maybe
So close a lady
Shifty eyes, shady

I stay away, I stay away, I stay away, I stay away
