

G Don't wanna move or get out of bed
 G That rock 'n' roll's going straight through my head
 G They say I'm stupid, I really don't care
 G Whatever they say, well I say that's fair

C All I wanna do is rock 'n' roll
 C All I wanna do is rock and C# rock some D more

C Wan-C-na G rock
 C Wan-C-na G rock
 C Wan-C-na G rock
 C Wan-C-na G rock C CCC

G Don't waste my money driving 'round in a car
 G Save my money for electric guitars
 C Disco music's just a social disease
 G If it don't rock me, then it ain't gonna please me

C All I wanna do is rock 'n' roll
 C All I wanna do is rock and C# rock some D more

C Wan-C-na G rock

[Solo]

G Turn up the music, let's have a good time
 G Don't pull no punches, lay it right on the line
 C New wave, old wave, third wave will do
 G It don't matter when I'm dancing with you

C All I wanna do is rock 'n' roll
 C All I wanna do is rock and C# rock some D more
