

You get up every morning from your alarm clock's warning
 Take the eight-fifteen into the city
 There's a whistle up above and people pushin' people shovin'
 And the girls who try to look pretty
 And if your train's on time you can get to work by nine
 And start your slaving job to get your pay
 If you ever get annoyed, look at me I'm self-employed
 I love to work at nothing all day

I'll be (Tak'n care o'biz) Every day! (Tak'n care o'biz) Every way!
 I've been (Tak'n care o'biz) It's all mine (Tak'n care o'biz) Workin overtime
 Work out!

[Break]

If it were easy as fishin' you could be a musician
 If you could make sounds loud or mellow
 Get a second-hand guitar, chances are you'll go far
 If you get in with the right bunch of fellows
 People see you having fun just a-lying in the sun
 Tell them that you like it this way
 It's the work that we avoid and we're all self-employed
 We love to work at nothing all day

We've been (Tak'n care o'biz) Every day (Tak'n care o'biz) Every way
 We've been (Tak'n care o'biz) It's all mine (Tak'n care o'biz) Workin overtime

[Solo] Take good care / of my business / when I'm away / every day! Wooh!
