

Oooh! All right

I must have been through about a million guys
I'd love 'em then I'd leave 'em alone
I didn't care how much they cried, no sir
Their tears left me cold as a stone

And then I fooled around and fell in love
I fooled around and fell in love
I fooled around and fell [STOP]... in love!
I fooled around and fell in love

It used to be when I'd see a man that I liked
I'd get out my book and write down his name
When the the grass got a little greener over on the other side
I'd just go and tear out that page

I fooled around and fell in love
I fooled around and fell in love, can you preach it now?
I fooled around and fell [STOP]... in love!
I fooled around and fell in love

Yeah, it hit me just like magic, baby... Oh that's right
I fell in love. Oh, I fell in love with you!

[Solo]

Free, and on my own - that's the way I used to be
But since I met you baby, love got a hold on me
Love got a hold on me, now! And I can't let go!
No, no, no, no!

(I fooled around and fell in love)	Oh no whoa...
(I fooled around and fell in love)	Oh yes I did, now
(I fooled around and fell... in love!)	Oh, I fell in love with you
(I fooled around and fell in love)	I can't let go of you now!
(I fooled around)	Has me burnin ya baby
(I fooled around)	Oh no!
(I fooled around and fell in love)	I never thought love could feel so good
(I fooled around)	Ooooh!
(I fooled around...)	And I fell in love with you, babe
