

We sailed through endless skies  
Stars shine like eyes  
The black night sighs  
The moon in silver trees  
Falls down in tears

Light of the night  
The earth, a purple blaze  
Of sapphire haze in orbital ways

While down below the trees  
Bathed in cool breeze  
Silver starlight breaks dawn from night  
And so we pass on by  
The crimson eye of great god Mars  
As we travel the universe
