

Shot through the heart and you're to blame
Darling, you give love a bad name

An angel's smile is what you sell
You promise me heaven, then put me through hell
Chains of love got a hold on me
When passion's a prison, you can't break free

Ohhhh! You're a loaded gun
Ohhhh! There's nowhere to run
No one can save me, the damage is done

Shot through the heart and you're to blame
You give love a bad name (Bad name)
I play my part and you play your game
You give love a bad name (Bad name)
You give love...
A bad name

Paint your smile on your lips
Blood red nails on your fingertips
A school boy's dream, you act so shy
Your very first kiss was your first kiss goodbye

Ohhhh! You're a loaded gun
Ohhhh! There's nowhere to run
No one can save me, the damage is done

Shot through the heart and you're to blame
You give love a bad name (Bad name)
I play my part and you play your game
You give love a bad name (Bad name)
You give love...

[Solo]

Shot through the heart and you're to blame
You give love a bad name
I play my part and you play your game
You give love a bad name (Bad name)

Shot through the heart and you're to blame
You give love a bad name (Bad name)
I play my part and you play your game
You give love a bad name (Bad name)

(Ohhhhh-whoa-whoa-ohhhhh) You give love
