

Together we stand, divided we fall
Come on now people, let's get on the ball and work together
Come on, come on let's work together, now now people
Because together we will stand, every boy every girl and uh-man

Before when things go wrong, as they sometimes will
And the road you travel, it stays all uphill
Let's work together, come on, come on, let's work together
You know together we will stand, every boy, girl, woman and uh-man
Oh well now, two or three minutes, two or three hours
What does it matter now, in this life of ours
Let's work together, come on, come on
Let's work together, now now people
Because together we will stand, every boy, every woman and uh-man

Oh come on, let's work together

Oh well now, make someone happy, make someone smile
Let's all work together and make life worthwhile
Let's work together, come on, come on
Let's work together, now now people
Because together we will we stand, every boy, girl, woman and uh-man
Well now, together we will stand
Every boy, girl, woman and uh-man
