

Candy-O, I need you  
Sunday dress, ruby rings  
Candy-O I need you so  
Could you help me in

Purple hum, assorted cards  
Razor lights, you bring  
And all to prove you're on the move  
And vanishing

Candy-O, I need you so  
Candy-O, I need you so

[Break + Solo]

The edge of night distract yourself  
Obstacles don't work  
Homogenize, decentralize  
It's just a quirk

Different ways to see you through  
All the same in the end  
Peculiar star that's who you are  
Do you have to win

Candy-O, I need you so  
Candy-O, I need you so  
Candy-O, I need you so  
Candy-O, I need you so
