

Give me one reason to stay here  
And I'll turn right back around  
Give me one reason to stay here  
And I'll turn right back around  
Said I don't want to leave you lonely  
You got to make me change my mind

Baby I got your number, oh and I know that you got mine  
You know that I called you, I called too many times  
You can call me baby, you can call me anytime, you got to call me

Give me one reason to stay here  
And I'll turn right back around  
Give me one reason to stay here  
And I'll turn right back around  
Said I don't want leave you lonely  
You got to make me change my mind

I don't want no one to squeeze me, they might take away my life  
I don't want no one to squeeze me, they might take away my life  
I just want someone to hold me, oh and rock me through the night

[Solo]

This youthful heart can love you, yes and give you what you need  
I said, This youthful heart can love you, oh and give you what you need  
But I'm too old to go chasing you around, wasting my precious energy

Give me one reason to stay here  
Yes and I'll turn right back around  
Give me one reason to stay here  
Ooh and I'll turn right back around  
Said I don't want leave you lonely  
You got to make me change my mind

Baby just give me one reason, give me just one reason why  
Baby just give me one reason, give me just one reason why I should stay  
Said I told you that I loved you, and there ain't no more to say
