

[Intro] {Riff *Clean*}
{Riff *Distortion*}

When dreaming I'm guided to another world, time and time again
At sunrise I fight to stay asleep
'cos I don't want to leave the comfort of this place
'cos there's a hunger longing to escape from the life I live when I'm awake

So let's go there
Let's make our escape, come on
Let's go there
Let's ask can we stay

Can you take me higher, to a place where blind men see
Can you take me higher, to a place with golden streets

Although I would like our world to change
It helps me to appreciate, those nights and those dreams
But my friend, I'd sacrifice all those nights
If I could make the Earth and my dreams the same
The only difference is to let love replace all our hate

So let's go there
Let's make our escape, come on
Let's go there
Let's ask can we stay

Can you take me higher, to a place where blind men see
Can you take me higher, to a place with golden streets

So let's go there (Let's go there)
So let's go there (Let's go there)
C'mon, let's go there (C'mon, let's go there)
Let's ask can we stay

{Riff}
[Break] Up high I feel like I'm alive for the very first time
{Riff} Set up high I'm strong enough to take these dreams and make them mine
{Riff *Clean*}
{Riff} Set up high I'm strong enough to take these dreams and make them mine

Can you take me higher, to a place where blind men see
Can you take me higher, to a place with golden streets

Can you take me higher, to a place where blind men see
Can you take me higher, to a place with golden streets
