

There is freedom within, there is freedom without
Try to catch the deluge in a paper cup
There's a battle ahead, many battles are lost
But you'll never see the end of the road while you're traveling with me

(Hey now, hey now) Don't dream it's over
(Hey now, hey now) When the world comes in
(They come, they come) To build a wall between us
We know that they won't win

Now I'm towing my car, there's a hole in the roof
My possessions are causing me suspicion but there's no proof
In the paper today, tales of war and of waste
But you turn right over to the T.V. page

(Hey now, hey now) Don't dream it's over
(Hey now, hey now) When the world comes in
(They come, they come) To build a wall between us
We know that they won't win

[Interlude]

Now I'm walking again, to the beat of a drum
And I'm counting the steps to the door of your heart
Only shadows ahead, barely clearing the roof
Get to know the feeling of liberation and release

(Hey now, hey now) Don't dream it's over
(Hey now, hey now) When the world comes in
(They come, they come) To build a wall between us
You know that they won't win

Don't let them win (Hey now, hey now)
Don't ever let them win (Hey now, hey now)
Hey now, hey now... Don't let them win
(They come, they come) Don't let them win
(Hey now, hey now) Yeah
(Hey now, hey now)
