

The landlord's here to visit
They're blasting disco down below
Says I'm doublin' the rent
'cos the building's condemned
You're gonna help me buy City Hall

But we can...
You know we can
We caaaaaan
You know we can
Let's lynch the landlord man!

I tell them turn on the water
I tell 'em turn on the heat
Tells me all you ever do is complain, yeah
Then they search the place when I'm not here

But we can...
You know we can
We caaaaaan
You know we can
Let's lynch the landlord!
Let's lynch the landlord!
Let's lynch the landlord man!

[Solo]

There's rats chewin' up the kitchen
Roaches up to my knees
Turn the oven on, it smells like Dachau, yeah
Til the rain pours thru the ceiling

But we can...
You know we can
We caaaaaan
You know we can
Let's lynch the landlord!
Let's lynch the landlord!
Let's lynch the landlord man!

The landlord man!
