

Cool woman, cool eyes, you got me hypnotized
So head down, get a rhythm, stop your stalling and your bitching
I'm rock steady, I'm still shaking, I'm ready for the takin'
So make your move, yeah make me, and get ready for the big "C"

(Let it rock) yeah!
(Let it roll) Let it!
(Let it go) Let it go! You gotta
(Let it rock) Come on!
(Let it roll) Yeah, just let it go!

Slow down, hold on - you're too fast, you're too strong
Take it easy, take it slow - Make it last, don't let go
We're one body, it's one way - You're not leaving, c'mon stay
So get down on your knees - And let me know you're here to please

(Let it rock) yeah!
(Let it roll) Let it!
(Let it go) Let it go! You gotta
(Let it rock) Come on!
(Let it roll) Yeah, just let it go!

Let it go... Let it go... Let it go

Cool woman, cool eyes, you got me hypnotized
Slow down, hold on - You're too fast, too strong
I need a woman, a woman to love
One good woman, and you got what I want! What I want!

Slow down, hold on much too fast... much too strong
Take it slow, make it last. Take it easy, not too fast. Don't let go! No!
I'm rock steady, but still shaking, but I'm ready for the takin'
So make your move, yeah make me, and get a-ready for the big "C", yeah!

(Let it rock) Let it!
(Let it roll) Let it!
(Let it go) Let it!
Let it, (let it rock)
Let it, (let it roll)
Let it, (let it go) Let it go!

(Let it rock) Yeah!
(Let it roll) Let it!
(Let it go) Let it go!
You gotta let it rock, come on
Let it roll, yeah
Let it go
