

Do ya wanna get rocked? (Let's get, let's get, let's get, let's get.. rocked!)
 I'm your average, ordinary, everyday kid
 Happy to do nothin', in fact that's what I did
 Got a million ways to make my day, but daddy don't agree
 Cos when I try to get away he says, he got plans for me

(Get your butt right out of bed)	Stop buggin' me
(Get up and move your sleepy head)	Don't shake my tree... he said,
(Mow the lawn) Who, me?	(Walk the dog) Not my style, man!
(Take out the trash) No way!	(Tidy your room) C'mon get real!
Sorry dad, gotta disappear	Let's get the rock outta here!

|C| Seven-day weekend, up all night - In at the deep end, hang on tight
 |h| Won't take a minute! Won't take long! So get on in it! C'mon C'mon C'mon!
 |o| (Let's get, let's get, let's get, let's get rocked!)
 |r| (Let's get, let's get, let's get, let's get rocked!)
 |u| Let's go all the way, get it night & day, c'mon
 |s| (Let's get, let's get, let's get, let's get rocked!)

I'm your average, ordinary, everyday dude
 Drivin' with my baby, to get her in the mood
 She's dialin' through my radio and I'm ready to make my move
 But what she got ain't rock & roll and it really blew my groove... it was

(Chopin, Mozart, Beethoven!)	It makes me wanna scream!
(Bach, Tchaikovsky, violins - Turn it off!)	That ain't my scene
Well I'm sorry girl here's my confession, s'pose a rock's out of the question?	

Seven-day weekend, up all night	In at the deep end, hang on tight
Won't take a minute, won't take long	So get on in it - C'mon! C'mon! C'mon!

[Chorus] Oh!

(All I wanna do is take a ride into the blue)
 (Every time I want to love you I'm stuck inside my room)
 (Heaven knows I'm sick & tired of dancin' with this broom)
 I feel lucky today Hey, look at that man!
 Do ya wanna get rocked? Do ya wanna get rocked?!

[Solo]

(It won't take you a minute - It won't take that long)
 (So get on, get with it - Oh, come-on!) Everybody!

(Let's get, let's get, let's get, let's get rocked) Get on top, baby
 (Let's get, let's get, let's get, let's get rocked) Do ya wanna? Do ya wanna?
 (Let's get, let's get, let's get, let's get rocked) Get on top of it
 (Let's get, let's get, let's get, let's get rocked) Love to rock ya body baby
 (Let's get, let's get, let's get, let's get rocked)

(Let's go all the way, let's do it night and day!)
 (Let's get out and play, rock the night away!)
 (Come-on let's get, let's get, let's get, let's get.. rocked)
 Oh, do ya wanna get rocked?
