

I took my love and I took it down  
I climbed a mountain and I turned around  
And I saw my reflection in a snow-covered hill  
Well, the landslide brought me down

Oh, mirror in the sky, what is love?  
Can the child within my heart rise above?  
Can I sail through the changing ocean tides?  
Can I handle the seasons of my life? Uh-huh...

Uh-huh... Uh-huh... Uh-huh...

Well, I've been afraid of changing 'cause I built my life around you  
But time makes you bolder, children get older  
I'm getting older too... Well...

[Solo]

Well, I've been afraid of changing 'cause I built my life around you  
But time makes you bolder, children get older  
I'm getting older too  
Well I'm getting older too... so

Take this love and take it down  
Yeah, and if you climb a mountain and you turn around  
And if you see my reflection in the snow-covered hills  
Well, the landslide brought me down  
And if you see my reflection in the snow-covered hills  
Well, maybe...  
Well, maybe...  
Well, maybe...  
The landslide will bring you down
