

Run and tell all of the angels, this could take all night
Think I need a devil to help me get things right
Hook me up a new revolution, cos this one is a lie
We sat around laughing and watched the last one die

Now I'm looking to the sky to save me, looking for a sign of life
Looking for something to help me burn out bright
I'm looking for a complication, looking cause I'm tired of lying
Make my way back home when I learn to fly high

[Bridge]

I think I'm done nursing the patience, it can wait one night
I'd give it all away if you give me one last try
We'll live happily ever trapped if you'd just save my life
Run and tell the angels that everything's alright

Now I'm looking to the sky to save me, looking for a sign of life
Looking for something to help me burn out bright
I'm looking for a complication, looking cause I'm tired of trying
Make my way back home when I learn to fly high
Make my way back home when I learn to

Fly along with me, I can't quite make it alone
Try to make this life my own
Fly along with me, I can't quite make it alone
Try to make this life my own

I'm looking to the sky to save me, looking for a sign of life
Looking for something to help me burn out bright
I'm looking for a complication, looking cause I'm tired of trying
Make my way back home when I learn to

I'm looking to the sky to save me, looking for a sign of life
Looking for something to help me burn out bright
I'm looking for a complication, looking cause I'm tired of trying
Make my way back home when I learn to fly high
Make my way back home when I learn to fly
Make my way back home when I learn to
