

Late last night
I get a call from a so-called friend
He wouldn't give his name
Says he saw you with another man
Feels like seventeen years
It's only seventeen days
Since I saw the real you
And I let you walk away

You left me broken
You left me stranded
The way you play this game of love
It's just plain underhanded
I spent a lot of time
And I spent all my money
Don't want no other fool
To put his hands on you

Who you been talkin' to?
Yeah, who you been walkin' with?

Seventeen - You're just
Seventeen
Seventeen

They said I was playin' with fire
I knew I had to take a chance
I had to take ya higher
To a new experience
But little did I know
I'd never get that far
Girl, you know you put on quite a show
You're gonna be a star

When you grow older, girl
You'll remember I told you, girl

Seventeen - You're just
Seventeen
Seventeen
Seventeen

[Solo]

Seventeen - You're just
Seventeen
Seventeen
Seventeen
Seventeen - You're only
Seventeen
Seventeen
Seventeen

[Solo outro]
