Tell me do you think it'd be all right, if I could just crash here tonight
You can see I'm in no shape for driving, and anyway I've got no place to go
And you know it might not be that bad, you were the best I'd ever had
If I hadn't blown the whole thing years ago, I might not be alone

Tomorrow we can drive around this town, and let the cops chase us around
The past is gone but something might be found to take its place
Hey jealousy! Hey jealousy!
Hey jealousy! Hey jealousy!

You can trust me not to think, and not to sleep around
If you don't expect too much from me, you might not be let down
Cause all I really want is to be with you, feeling like I matter too
If I hadn't blown the whole thing years ago, I might be here with you

Tomorrow we can drive around this town, and let the cops chase us around
The past is gone but something might be found to take its place
Hey jealousy!

Tomorrow we can drive around this town, and let the cops chase us around
The past is gone but something might be found to take its place
Hey jealousy! Hey jealousy!
Hey jealousy! Hey jealousy!

Tell me do you think it'd be all right, if I could just crash here tonight
You can see I'm in no shape for driving, and anyway I've got no place to go
And you know it might not be that bad, you were the best I'd ever had
If I hadn't blown the whole thing years ago, I might not be alone

Tomorrow we can drive around this town, and let the cops chase us around
The past is gone but something might be found to take its place
Hey jealousy!

Hey jealousy
She took my heart
Well there's only one thing I couldn't start
