

When you can't find the light that got you through a cloudy day
When the stars ain't shining bright, it feels like you've lost your way
When the candle lights of home, burn so very far away
Yeah you got to let your soul shine, just like my daddy used to, used to say

Soulshine	It's better than sunshine
It's better than moonshine	It's damn sure better than rain
And if people don't mind	We all feel this way sometimes
Got to let your soul shine	Shine through the break of day

I grew up thinkin' that I had it made, gonna make it on my own
Life can take the strongest man, make him feel so alone
Now and then I feel the cold wind blowing through my aching bones
I think back to what my daddy said, boy it's the darkest just before the dawn

Let your soul shine	It's better than sunshine
I know it's better than moonshine	Damn sure better than rain
People now don't you mind	We all get this way sometimes
You got to let your soul shine	Shine 'til the break of day

Sometimes a man can feel this emptiness
Like a woman, it's robbed him of his very soul
A woman too, God knows she can feel like this
And when the world seems cold, you got to let your spirit take control

[Solo]

Talkin' 'bout soulshine	It's better than sunshine
It's better than moonshine	It's damn sure better than rain
And if people don't mind	We all feel this way sometimes
Got to let your soul shine	Yeah shine on, and on, and on, and on

I said	It's better than sunshine
It's better than moonshine	It's damn sure better than rain
And if people don't mind	We all feel this way sometimes
Got to let your soul shine	Shine 'til the break of day

[Outro Solo]
