

Sweet little baby, you don't have to go
 Little baby, tell me you won't go
 We'd be so good together if we had the time
 'Cause being alone is a nowhere state of mind

Oooh, loving ain't no crime, oh no
 I see your man ain't here, he don't care
 The way of the night has gone and we'll move on
 Got to find a way to face another day

I search the world for someone I'll never find
 Someone who ain't the hurting kind
 If you stay the night, oh yeah
 We'll make the wrong seem right... so come on now and

Rock me!	Rock me!	Roll me through the night
Rock me!	Rock me!	Roll me through the night
Rock me!	Rock me!	Roll me through the night

We'll burn in love tonight

Sweet little baby, oh don't you go
 You ain't so innocent, I know
 Oooh, I know your heart's like mine, oh yeah
 And I will find the time to make you mine
 And if your love goes bad, if it makes you sad
 And I'll be back for more, (ooh) at your door!

Rock me!	Rock me!	Roll me through the night
Rock me! (Rock me!)	Rock me! (Rock tonight!)	Roll me through the night
Rock me!	Rock me!	Roll me through the night

Before the morning light, we'll burn with love tonight
 Burn with love tonight

[Solo]

And when your man don't care, I will be there
 Still be loving real good love, so baby now

Rock me! (Rock me!)	Rock me! (Rock tonight!)	Roll me through the night
Rock me! Come on!	Rock me!	Roll me through the night
Rock me! (Rock me!)	Rock me! (Rock tonight!)	Roll me through the night

There's no wrong or right, we'll burn with love

Rock me! (Rock me!)	Rock me! (Rock tonight!)	Roll me through the night
Rock me! Come on!	Rock me!	Roll me through the night
Rock me! (Rock me!)	Rock me! (Rock tonight!)	Roll me through the night

There's nothing left to do, but make sweet love to you

[Interlude] Come on and rock me! [Outro Solo]
