

American woman gonna mess your mind American woman, she gonna mess your mind
American woman gonna mess your mind American woman gonna mess your mind
Say A, say M, say E, say R Say I, & C, say A, N
American woman gonna mess your mind American woman gonna mess your mind
American woman gonna mess your mind

American woman, stay away from me
American woman, mama let me be
Don't come a-hangin' around my door
I don't wanna see your face no more
I got more important things to do
Than spend my time growin' old with you
Now woman, I said stay away
American woman, listen what I say

American woman, get away from me
American woman, mama let me be
Don't come a-knockin' around my door
Don't wanna see your shadow no more
Colored lights can hypnotize
Sparkle someone else's eyes
Now woman, I said get away
American woman, listen what I say, hey

[Solo]

American woman, said get away
American woman, listen what I say
Don't come a-hangin' around my door
Don't wanna see your face no more
I don't need your war machines
I don't need your ghetto scenes
Colored lights can hypnotize
Sparkle someone else's eyes
Now woman, get away from me
American woman, mama let me be

Go, gotta get away, gotta get away now go go go
I'm gonna leave you, woman, Gonna leave you, woman
Bye-bye, Bye-bye
Bye-bye, Bye-bye
You're no good for me, I'm no good for you
Gonna look you right in the eye, tell you what I'm gonna do
You know I'm gonna leave, you know I'm gonna go
You know I'm gonna leave, you know I'm gonna go, woman
I'm gonna leave ya, woman, goodbye American woman...
Goodbye American woman...
