

When I look into your eyes, I can see a love restrained
But darlin' when I hold you, don't you know I feel the same
'cause nothin' lasts forever, and we both know hearts can change
And it's hard to hold a candle, in the cold November rain

We've been through this such a long long time
Just tryin' to kill the pain... Oh yeah
But lovers always come and lovers always go
And no one's really sure who's lettin' go today... Walking away

If we could take the time to lay it on the line
I could rest my head Just knowin' that you were mine... all mine
So if you want to love me, then darlin' don't refrain
Or I'll just end up walkin' in the cold November rain

Do you need some time... on your own
Do you need some time... all alone
Everybody needs some time... on their own
Don't you know you need some time... all alone

I know it's hard to keep an open heart, when even friends seem out to harm you
But if you could heal a broken heart, wouldn't time be out to charm you

Sometimes I need some time... on my own
Sometimes I need some time... all alone
Everybody needs some time... on their own
Don't you know you need some time... all alone

[Guitar Solo]

And when your fears subside and shadows still remain
I know that you can love me when there's no one left to blame
So never mind the darkness we still can find a way
'Cause nothin' lasts forever even cold November rain

Don't ya think that you need somebody
Don't ya think that you need someone
Everybody needs somebody
You're not the only one, you're not the only one

Don't ya think that you need somebody
Don't ya think that you need someone
Everybody needs somebody
You're not the only one, you're not the only one

Don't ya think that you need somebody
Don't ya think that you need someone
Everybody needs somebody
You're not the only one, you're not the only one

Don't ya think that you need somebody
Don't ya think that you need someone
Everybody needs somebody
