

Shed a tear 'cause I'm missin' you
I'm still alright to smile
Girl, I think about you every day now
Was a time when I wasn't sure
But you set my mind at ease
There is no doubt you're in my heart now

Said, woman take it slow, it'll work itself out fine
All we need is just a little patience
Said, sugar make it slow, and we'd come together fine
All we need is just a little patience
(Patience)

I sit here on the stairs 'cause I'd rather be alone
If I can't have you right now, I'll wait dear
Sometimes I get so tense but I can't speed up the time
But you know love, there's one more thing to consider

Said, woman, take it slow, and things will be just fine
You and I'll just use a little patience
Said, sugar, take the time 'cause the lights are shining bright
You and I've got what it takes to make it
We won't fake it - I'll never break it - 'cause I can't take it

[Solo]

(Little patience)
(Mmmmmmmmm yeah, Mmmmmmmmm yeah)
(I need a little patience)
(Yeah)
(Just a little patience)
(Yeah)
(Some more patience) I've been walkin' the streets at night
(Yeah) Just tryin' to get it right
(Need some patience) Hard to see with so many around
(Yeah) You know I don't like bein' stuck in a crowd
(Could use some patience) The streets don't change but maybe the name
(Yeah) I ain't got time for the game
(Gotta have some patience) 'cause I need you
(Yeah) Yeah, yeah but I need you
(All it takes is patience) Ooooh I need you
(Just a little patience) Whoa I need you
(Is all you need) Ohhh this time...
