

I've heard it called by different names
All over the world, but it's all the same
Now there's so many ways to make love
A million ways, I've been thinking of!
Oh yea!

But there's only one way... There's only one way to rock!
Yeah!

So many things can get you high
I'm gonna try 'em all just once before I die
And you can analyze this situation
To me it's all just mental masturbation

There's only one way... There's only one way to rock!
There's only one way... There's only one way to rock!

Now quickly, check the hands on the clock
It's eight-oh-five, it's time to rock

And this world can disagree
They don't understand how it can be
And it's not my point of view
It's a fact! And you know that it's true

There's only one way... There's only one way to rock!
There's only one way... There's only one way to rock!

Crank up the drums, crank out the bass
Crank up my Les Paul in your face

There's only one way... There's only one way to rock!
There's only one way... There's only one way to rock!
There's only one way... There's only one way to rock!

There's only one way, There's only one way, There's only one way - to rock!

Yeah, to rock!
To rock!
One way to rock!
