

I don't mind, when you act your age
It suits me fine, that you treat me like a child
And I can't deny, when I'm with you that you
Step outside, of all those fears locked up inside

Your love is driving me crazy!
Your love just takes me away!
Your love is driving me crazy!
It takes me all the way!

What I like, is what you've got to offer
Just my type, don't mind playing on the edge

Your love is driving me crazy!
Your love just takes me away!
Your love is driving me crazy!
It takes me all the way!

Lead me to forbidden doors
You know I'm yours
Yeah, you got it, yeah, I want it
Don't you know it baby?

Right on time, A tight fit right on the money
So sublime, hot sweet cherries on the vine

Your love is driving me crazy!
Your love just takes me away!
Your love is driving me crazy!
It takes me all the way, yeah!

Your love is driving me crazy!
Your love just takes me away!
Your love is driving me crazy!
Your love just takes me away, oh yeah!
Your love... Your love....
