

When you can't find the light
That got you through a cloudy day
When the stars ain't shining bright
You feel like you've lost your way
When those candle lights of home
Burn so very far away
Well you got to let your soul shine
Just like my mama used to say, she used to say

|------------------------------|--------------------------------|
| Soulshine | It's better than sunshine |
| It's better than moonshine | Damn sure better than rain |
| And if the people don't mind | We all feel this way sometimes |
| Got to let your soul shine | Shine through the break of day |

Growing up I thought I had it made
I could make it on my own
But life can take the strongest man
Make him feel so alone
Now sometimes I feel the cold wind
Blowing through my aching bones
I think back to what my daddy said
He said girl it's the darkest before the dawn

|--------------------------------|--------------------------------|
| Let your soul shine | It's better than sunshine |
| It's better than moonshine | Damn sure better than rain |
| And if the people don't mind | We all feel this way sometimes |
| You got to let your soul shine | Shine through the break of day |

Sometimes a man can feel this emptiness
Like a woman, he's shot down to his very soul
And a woman too, God knows she can feel like this
And when the world seems cold, you got to let your spirit take control
