

I wear my sunglasses at night So I can, So I can
Watch you weave, then breathe your story lines
And I wear my sunglasses at night So I can, So I can
Keep track of visions in my eyes

While, she's deceiving me It cuts my security
Has she got control of me? I turn to her and say

Don't switch the blade on the guy in shades, oh no!
Don't masquerade with the guy in shades, oh no! I can't believe it!
You got it made with the guy in shades, oh no

I wear my sunglasses at night So I can, So I can
Forget my name while you collect your claim
And (I wear my sunglasses at night) (So I can), So I can
See the light that's right before my eyes

While she's deceiving me She cuts my security
Has she got control of me? I turn to her and say

Don't switch the blade on the guy in shades, oh no!
Don't masquerade with the guy in shades, oh no! I can't believe it!
'cos you got it made with the guy in shades, oh no

[Solo]

While she's deceiving me She cuts my security
Has she got control of me? I turn to her and say

Don't switch the blade on the guy in shades, oh no!
Don't masquerade with the guy in shades, oh no! I can't believe it!
Don't be afraid of the guy in shades, oh no! It can't escape you
'cos you got it made with the guy in shades, oh no

I said
I wear my sunglasses at night
I wear my sunglasses at night
I wear my sunglasses at night

I say to you now
I wear my sunglasses at night
I wear my sunglasses at night
I wear my sunglasses at night

I cry to you
I wear my sunglasses at night
I wear my sunglasses at night
