

Did you see any action, did you make any friends?
Would you like some affection before I leave again?
I been walkin' behind you since you been able to see
(There's never been any reason) for you to think about me

Did you have any bad dreams, did you break any glass?
Would you be my companion, is there even a chance?
You been talkin' in circles since I been able to cry
(There's never been any reason) For never tellin' me why, yeah-ah!

(Save my life, I'm goin' down for the last time)
(Woman with the sweet lovin' better than a white line)
Bring a good feelin' I ain't had in such a long time
Save my life I'm goin' down for the last time

[Synth Solo]

Have you ever been lonely? Do you have any fun?
Do you ever think of me? I'm just another one, yeah
You never give me no answer, you never tell me the truth
(There's never been any reason) For me to think about you
(There's never been any reason)
(There's never been any reason) yeah-ah
(There's never been any reason)

(Save my life, I'm goin' down for the last time)
(Woman with the sweet lovin better than a white line) Don't you know she could
(Bring a good feelin' I ain't had in such a long time)
(Save my life I'm goin' down for the last time) Whoa!

(Save my life, I'm goin' down for the last time)
(Save my life, I'm goin' down for the last time)
(Save my life, I'm goin' down for the last time)
(Save my life, I'm goin' down for the last time)
(Save my life, I'm goin' down for the last time)
