

Long Cool Woman (With Chords)

Hollies, The

E Saturday night I was down-town G workin' for the A F.B. E I...
E Sittin' in a nest of bad men G whiskey bottles A pilin' E high
E Bootleg'n boozier on the west side G full of people who're A doin' E wrong
E Just about to call up the D-A man G when I heard a woman A sing a E song

A A pair of 45s made me open my eyes B my temperature started to rise, she was

A A Long cool woman in a black dress, just a G 5'9 beautiful E tall
A Just one look I was a bad mess 'cos that G long cool woman had E it all

[Interlude]

E I saw her head to the table like a G tall walkin' big A black E cat
E Charlie say I hope you're able boy I G tell ya she know A where E it's at
E Then suddenly we heard the siren and G everybody A started E to run
E Jumping out of doors and tables when G I heard somebody A shootin E a gun
E Well the DA was pumping my left hand G and she was A holding E my right

E I told her don't get scared 'cos yer G gonna be spared
A I've got to be forgivin' if I wanna spend my livin' with

A A Long cool woman in a black dress, just a G 5'9 beautiful E tall
A Just one look I was a bad mess 'cos that G long cool woman had E it all

E Had it all
E Had it all
E Had it all
E Had it all
