

(Freeze-frame!)

I could see it was a rough-cut Tuesday
Slow-motion weekdays stare me down
Her lipstick reflex got me wound
There were no defects to be found
Snapshot image froze without a sound

Thursday morning was a hot-flash factor
Her face still focused in my mind (Doo-dloo-dloop!)
Test-strip proofsheets love is hard to find (Doo-dloo-dloop!)
Friday night, we danced the spotlight grind (Doo-dloo-dloop!)
Stop time heart for me if she's not mine

(Freeze-frame!) Freeze-frame
(Freeze-frame!) Freeze-frame?
(Freeze-frame!) Freeze-frame!
(Freeze frame! Woo!) And I freeze

Now I'm looking at a flashback Sunday
Zoom lens feeling just won't disappear (Doo-dloo-dloop!)
Close up, dark room, sweet talk in my ear (Doo-dloo-dloop!)
Her hot-spot love for me is strong (Doo-dloo-dloop!)
This freeze-frame moment can't be wrong

(Freeze-frame!) Freeze-frame
(Freeze-frame!) Freeze-frame?
(Freeze-frame!) Freeze-frame!
(Freeze frame! Woo!) And I freeze

[Interlude] (Shoop! Shoop! Doo-dloo-dloop)
(Shoop! Shoop! Doo-dloo-dloop)
(Shoop! Shoop! Doo-dloo-dloop)

(Freeze-frame!) Freeze-frame
(Freeze-frame!) Freeze-frame?
(Freeze-frame!) Freeze-frame!
(Freeze frame! Woo!) And I freeze

Yeah!

(Freeze-frame!) oh yeah (Freeze-frame!)
(Freeze-frame!) Freeze-frame (Freeze-frame!) If I could
(Freeze-frame!) She's real, Woo! (Freeze-frame!) If I could
(Freeze-frame!) She's .. Ahhhhhh! (Freeze-frame!) If I could
Shoop! Shoop! Doo-dloo-dloop (Freeze-frame!)
Shoop! Shoop! Doo-dloo-dloop (Freeze-frame!)
