

Girl, close your eyes Let that rhythm get into you
Don't try to fight it There ain't nothin' that you can do
Relax your mind Lay back and groove with mine

You got to (feel the heat)
And we can ride the boogie
(Share that beat of love)

I wanna rock with you (All night) Dance you into day (Sunlight)
I wanna rock with you (All night) We're gonna rock the night away

Out on the floor, there ain't nobody there but us
Girl when you dance, there's a magic that must be love
Just take it slow, 'cos we got so far to go

When you (feel that heat)
And we're gonna ride the boogie
Share that (beat of love)

I wanna rock with you (All night) Dance you into day (Sunlight)
I wanna rock with you (All night) We're gonna rock the night away

And when the groove is dead and gone (yeah) You know that love survives
So we can rock forever (On)

[Interlude] I wanna rock with you, I wanna groove with you
 I wanna rock with you! I wanna groove with you!

I wanna rock (All night) with you girl (Sunlight)
Rock with you, rock with you girl (All night) Dance the night away
I wanna rock with you, yeah (All night) Rock you into day (Sunlight)
I wanna rock with you (All night) Rock the night away.. feel the heat!
Feel the beat (All night) Rock you into day (Sunlight)
I wanna rock (All night) Rock the night away
