

Hey, don't write yourself off yet  
It's only in your head you feel left out or looked down on  
Just try your best, try everything you can  
And don't you worry what they tell themselves when you're away

It just takes some time, little girl  
You're in the middle of the ride  
Everything, everything will be just fine  
Everything, everything will be alright, alright

Hey, you know they're all the same  
You know you're doing better on your own (on your own), so don't buy in  
Live right now, yeah just be yourself  
It doesn't matter if it's good enough (good enough) for someone else

It just takes some time, little girl  
You're in the middle of the ride  
Everything, everything will be just fine  
Everything, everything will be alright, alright

It just takes some time, little girl  
You're in the middle of the ride  
Everything, everything will be just fine  
Everything, everything will be alright, alright

Hey, don't write yourself off yet  
It's only in your head you feel left out (feel left out) or looked down on  
Just do your best (just do your best)  
Do everything you can (do everything you can)  
And don't you worry what the bitter hearts (bitter hearts) are gonna say

It just takes some time, little girl  
You're in the middle of the ride  
Everything, everything will be just fine  
Everything, everything will be alright, alright

It just takes some time, little girl  
You're in the middle of the ride  
Everything, everything will be just fine  
Everything, everything will be alright
