

D Five miles off the ground G listenin' to the sound  
 Em Of those jet engines pushin' me from A California to JFK  
 D Somewhere down there my friends G are doin' those things I miss about them  
 Em Will's makin' calls & KC's hangin' the Open sign A in his old man's store

Em And I can't help but wonder G did I choose right  
 D Leavin' all that behind to try my A luck out on the coast  
 Em Cause I'm still feelin often G that I'm caught in the middle  
 D Between where I'm at and that A place I miss the most...  
 A place I miss the most

D 2 AM return flight G red-eye took off at midnight  
 Em Flight attendant dims the lights and all the A passengers dream away  
 D Do they know I'm up here G far away but my heart's still near  
 Em I can almost hear laughter from that screened in A porch out by the lake
