

I know a thing or two about her
I know she'll only make you cry
She'll let you walk the street beside her
But when she wants she'll pass you by

Everybody says she's lookin' good
And the lady knows it's understood

(Strutter!)
(Strutter!)
(Strutter!)

She wears her satins like a lady
She gets her way just like a child
You take her home and she says, maybe... baby!
She brings you down, and drives you wild

Everybody says she's lookin' good
And the lady knows it's understood

(Strutter!)
[Solo]

I know a thing or two about her
I know she'll only make you cry
She'll let you walk the street beside her
But when she wants, she'll pass you by

Everybody says she's lookin' good
And the lady knows it's understood

(Strutter!) Look out! She'll just make you cry
(Strutter!) Look out! That girl will just pass you by
(Strutter!) Whoa-ohh! She gets her way like a child
(Strutter!) No more! That girl will just drive you wild
(Strutter!)
