

Can we forget about the things I said when I was drunk  
I didn't mean to call you that  
I can't remember what was said and what you threw at me  
Please tell me

Please tell me why	The car is in the front yard and I'm
Sleeping with my clothes on	I came in through the window last night
And you're gone	Gone

It's no surprise to me I am my own worst enemy  
Cause every now and then I kick the living shit out of me  
The smoke alarm is going off and there's a cigarette  
Still burning

Please tell me why	The car is in the front yard and I'm
Sleeping with my clothes on	I came in through the window last night
And you're gone	Gone

[Solo]

Please tell me why	The car is in the front yard and I'm
Sleeping with my clothes on	I came in through the window last night

(Ah-oooooooooh!) It's no surprise to me I am my own worst enemy  
(Ah-oooooooooh!) Cause every now and then I kick the living shit out of me  
(Ah-oooooooooh!) Can we forget about the things I said when I was drunk  
(Ah-oooooooooh!) I didn't mean to call you that
