

{And during the few moments that we have left we wanna talk right down to earth in a language that everybody here can easily understand}

Look in my eyes, what do you see?
The cult of personality
I know your anger, I know your dreams
I've been everything you wanna be

I'm the cult of personality
Like Mussolini and Kennedy
I'm the cult of personality
The cult of personality
The cult of personality

Neon lights, Nobel Prize
When a mirror speaks, the reflection lies
You won't have to follow me
Only you can set me free

[Solo 1]

I sell the things you need to be
I'm the smiling face on your TV
I'm the cult of personality
I exploit you, still you love me
I tell you one and one makes three

I'm the cult of personality
Like Joseph Stalin and Gandhi
I'm the cult of personality
The cult of personality
The cult of personality

Neon lights, Nobel Prize
When a leader speaks, that leader dies
You won't have to follow me
Only you can set you free

[Solo 2]

You gave me fortune
You gave me fame
You gave me power in your God's name
I'm every person you need to be... Oh!
I'm the cult of per-son-al-ity

I'm the cult of	I'm the cult of
I'm the cult of	I'm the cult of
I'm the cult of	I'm the cult of
I'm the cult of	I'm the cult of personality
