

They like to get you in a compromising position  
They like to get you there and smile in your face  
They think they're so cute when they got you in that condition  
Well I think it's a total disgrace... and I say

I fight authority, authority always wins  
I fight authority, authority always wins  
I been doing it since I was a young kid, I come out grinnin'  
I fight authority, Authority always wins

So I call up my preacher I say, Give me strength for Round 5  
He said, you don't need no strength, you need to grow up son  
I said, growing up leads to growing old and then to dying  
And dying to me don't sound like all that much fun, and so I said,

I fight authority, authority always wins  
I fight authority, authority always wins  
I been doing it since I was a young kid, I come out grinnin'  
I fight authority, authority always wins

[Solo]

I said, oh no! no-no  
I said, oh no! no-no  
I said, oh no! no-no-no  
I fight authority, authority always wins  
I fight authority, authority always wins (kick it in)

I been doing it since I was a young kid, I come out grinnin'  
Well I fight authority, authority always wins  
Well I fight authority, authority always wins  
Well I fight authority, authority always wins  
I been doing it since I was a young kid, and I come out grinnin'  
Well I fight authority, Authority always wins

I fight authority, authority always wins  
Well I fight authority, authority always wins  
I been doing it since I was a young kid, and I come out grinnin'  
Well I fight authority, Authority always wins
