

Say your prayers, little one
To include everyone
I tuck you in, warm within
'til the Sandman he comes

Don't forget, my son

Keep you free from sin

Sleep with one eye open

Gripping your pillow tight

Exit light
Take my hand

Enter night
We're off to Never, Neverland

Something's wrong
Heavy thoughts tonight
Dreams of war
Dreams of dragon's fire

Shut the light
And they aren't of Snow White
Dreams of liars
And of things that will bite, yeah

Sleep with one eye open

Gripping your pillow tight

Exit light
Take my hand

Enter night
We're off to Never, Neverland

[Solo]

Now I lay me down to sleep
If I die before I wake

Pray the Lord my soul to keep
Pray the Lord my soul to take

Hush little baby, don't say a word
It's just the beasts under your bed

And never mind that noise you heard
In your closet, in your head

Exit light
Grain of sand

Enter night

Exit light
Take my hand

Enter night
We're off to Never, Neverland

We're off to Never, Neverland
We're off to Never, Neverland
We're off to Never, Neverland
We're off to Never, Neverland

Take my hand
Take my hand
We're off to Never, Neverland
We're off to Never, Neverland
