

Moving forward's using all my breath
Making love to you was never second best
I saw the world crashing all around your face
Never really knowing it was always mesh and lace

I'll stop the world and melt with you
You've seen the difference and it's getting better all the time
There's nothing you and I won't do
I'll stop the world and melt with you

(You should know better) Dream of better lives the kind which never hate
(You should see why) Trapped in the state of imaginary grace
(You should know better) I made a pilgrimage to save this humans race
(You should see why) Never comprehending the race has long gone bye

(Let's stop the world) I'll stop the world and melt with you
(Let's stop the world) You've seen the difference and it's getting better
all the time
(Let's stop the world) There's nothing you and I won't do
(Let's stop the world) I'll stop the world and melt with you

[Interlude 1] The future's open wide

(Let's stop the world) I'll stop the world and melt with you
(Let's stop the world) I've seen some changes but it's getting better
all the time
(Let's stop the world) There's nothing you and I won't do
(Let's stop the world) I'll stop the world and melt with you

[Interlude 2] The future's open wide

Hmm, hmm, hmm Hmm, hmm, hmm, hmm
Hmm, hmm, hmm Hmm, hmm, hmm, hmm

I'll stop the world and melt with you
(Let's stop the world) You've seen the difference and it's getting better
all the time
(Let's stop the world) There's nothing you and I won't do
(Let's stop the world) I'll stop the world and melt with you

(Let's stop the world) I'll stop the world and melt with you
(Let's stop the world) I'll stop the world and melt with you
(Let's stop the world) I'll stop the world and melt with you
(Let's stop the world) I'll stop the world and melt with you
