

Lord! Oh, yeah  
When you need a friend, through thick and thin  
Don't look to those above you  
When you're down and out, it ain't no doubt  
Nobody wants you

But you're rock candy baby  
You're hard, sweet and sticky! Yes!  
And you're rock candy baby  
Hard, sweet and sticky! Aw, yes...

Hard, sweet and...  
Mmm yea!

When you're seventeen reachin' for your dreams  
Well don't let no-one reach it for you  
Pull up your pants, stretch out take a chance  
If it can be done, well you can do it

'cos you're rock candy baby  
You're hard, sweet and sticky (yes you are)  
But you're rock candy baby, so hard, sweet and sticky  
Yes... Oh!

[Solo]

You're rock candy baby  
Hard, sweet and sticky! Yes! You!  
You're rock candy baby  
Hard, sweet and sticky! Yeah...  
You're... Hard!  
Sweet! Lord, yea  
Rock candy baby! Hard! Sweet!  
Lord, you're so right  
You're rock candy baby  
Whoa yea - hard sweet and...  
Sticky!
