

We walked the loneliest mile
We smiled without any style
We kiss altogether wrong
No intention
We lied about each other's drinks
We lived without each other thinking
What anyone would do
Without me and you

It's like I told you
Only the lonely can play

So hold on, here we go
Hold on to nothing we know
I feel so lonely
Way up here
You mention the time we were together
So long ago
Well, I don't remember
All I know is it makes me feel good now

It's like I told you, only the lonely can play
Only the lonely, only the lonely can play

[Solo]

Only the lonely, only the lonely can play
It's like I told you, only the lonely can play
Only the lonely, only the lonely can play
