Baby, if you just say you care
Follow you most anywhere
Roll away the stone, roll away the stone
And in the darkest night
I'll keep you safe and alright
Roll away the stone, roll away the stone

Won't you roll away the stone   (Sha-la-la-la, push push)
Why be cold and so alone?   (Sha-la-la-la, push push)
Won't you roll away the stone   (Sha-la-la-la, push push)
Don't you let it lie

[Break]

No matter if fools say we can't win
I know I'll fall in love again
Roll away the stone, roll away the stone
So sing - we still got a chance
Baby, in love and sweet romance
Roll away the stone, roll away the stone

Won't you roll away the stone   (Sha-la-la-la, push push)
Why be cold and so alone?   (Sha-la-la-la, push push)
Won't you roll away the stone   (Sha-la-la-la, push push)
Don't you let it lie

There's a rockabilly party on Saturday night
Are you gonna be there?   (I got my invite)
Gonna bring your records?   (Ohh, will do)

Made it!
Won't you roll away the stone   (Sha-la-la-la, push push)
Why be cold and so alone?   (Sha-la-la-la, push push)
Won't you roll away the stone   (Sha-la-la-la, push push)
Don't you let it die

Come on roll   (Won't you roll away the stone)
Come on roll, yeah   (Won't you roll away the stone)
Come on roll   (Won't you roll away the stone)
I want you to roll   (Won't you roll away the stone)
Come on, yeah   (Won't you roll away the stone)
Come on roll   (Won't you roll away the stone)
Come on roll   (Won't you roll away the stone)
Come on roll   (Won't you roll away the stone)
...
