

I'm not like them but I can pretend  
The sun is gone and I have a light  
The day is done and I'm having fun  
I think I'm dumb

Maybe just happy  
I think I'm just happy  
I think I'm just happy  
I think I'm just happy

My heart is broke and I have some glue  
Help me inhale and mend it with you  
We'll float around, hang out on clouds  
Then we'll come down

Have a hangover  
Have a hangover  
Have a hangover  
Have a hangover

Skin the sun, fall asleep  
Wish away, soul is cheap  
Lesson learned, wish me luck  
Soothe the burn, wake me up

I'm not like them but I can pretend  
The sun is gone and I have a light  
The day is done and I'm havin' fun  
I think I'm dumb

Maybe just happy  
I think I'm just happy  
I think I'm just happy  
I think I'm just happy

I think I'm dumb  
I think I'm dumb  
I think I'm dumb
