

{Riff} {Riff} {Riff} {Riff}
 Take this pink ribbon off my eyes
 I'm exposed and it's no big surprise
 Don't you think I know exactly where I stand
 This world is forcing me to hold your hand

E 'cos I'm just a A girl oh G little 'ol A me... well
 E Don't let me A out of G your sight A
 E Oh I'm just a A girl all G pretty and A petite... so
 E Don't let me A have any G rights A
 G Ohhhh! C I've had it up to here!

{Riff} {Riff}
 The moment that I step outside
 So many reasons for me to run and hide
 I can't do the little things I hold so dear
 'Cause it's all those little things that I fear

E 'cos I'm just a A girl, I'd G rather not A be, 'cause they
 E Won't let me A drive late G at night A
 E Oh I'm just a A girl guess G I'm some A kind of freak 'cos they
 E All sit and A stare with G their eyes A
 E Oh I'm just a A girl, take G a good A look at me
 E Just your A typical G prototype A
 G Ohhhh! C I've had it up to here!

[Synth solo over chorus]

G Ohhhh! C Ohhhh! Am I making myself clear?

{Riff} {Riff}
 I'm just a girl
 I'm just a girl in the world...
 That's all that you'll let me be!

E Oh I'm just a A girl livin G in captiv- A ity, your rule of
 E Thumb makes me A worri- G some A Ohhh
 E I'm just a A girl G what's my A destiny? What I've
 E Succumbed to A is making G me numb A
 E Oh I'm just a A girl G my apolog- A ies... What I've
 E Become is A so burden- G some A
 E Oh I'm just a A girl G lucky A me... Tweedle-
 E Dum, there's no A com- pari- G son A
