

City nights
Summer breezes make you feel all right
Neon-lights
Shining brightly make your brain ignite
See the girls with the dresses so tight (give you love!)
Give you love, if the price is right
Black or white
In the streets there's no wrong and no right, no

Outta site
Buy your kicks from the man in the white
Feels all right
Powder pleasure in your nose tonight
See the men paint their faces and cry (like some girl)
Like some girl, it makes you wonder why
City life
Sure is cool, but it cuts like a knife (like a knife)
It's so nice

So forget all that you see
It's not reality, it's just a fantasy

Can't you see what this crazy life is doin' to me
Life is just a fantasy
Can you live this fantasy life
Life is just a fantasy
Can you live this fantasy life

[Solo]

So forget all that you see
It's not reality, it's just a fantasy

Can't you see what this crazy life is doin' to me
Life is just a fantasy
Can you live this fantasy life
Life is just a fantasy
Can you live this fantasy life
Life is just a fantasy
Can you live this fantasy life
Life is just a fantasy
Can you live this fantasy life
